

This document defines the class requirements for the OPLA Plan 2 CTE program and the status (waived or required) of each based on your documentation upon entering the program.

Items needed to be submitted before this document will be official:

- WEST-B or equivalent exam
- Washington State Teaching Certificate (Probationary Certificates are not considered valid for getting courses waived)
- any transcripts for classes you have taken

|                                     |                                    |               |
|-------------------------------------|------------------------------------|---------------|
| Name:                               |                                    |               |
| Date:                               |                                    |               |
| Prepared by:                        |                                    |               |
| <b>Required Courses</b>             | <b>Status (waived or required)</b> | <b>Reason</b> |
| CTE Classroom Strategies            |                                    |               |
| Classroom Management                |                                    |               |
| Fundamentals of CTE                 |                                    |               |
| Philosophy of CTE                   |                                    |               |
| Administration of Worksite Learning |                                    |               |
| Portfolio                           |                                    |               |
| Practicum                           |                                    |               |
| <b>WEST-B or equivalent</b>         |                                    |               |
| Reading                             |                                    |               |
| Writing                             |                                    |               |
| Math                                |                                    |               |
