School: Kettle Falls High School
Instructor: Aaron Hunting

Medium: Oil and Acrylic Paints

Artist Statement

I wanted to create a piece that speaks on the cycle of time. The owl represents self-actualization and coming to terms with death being a part of human life. It represents struggling with finding purpose while time "runs out". I wanted to show the human struggle with time passing and seeing the eventual end overshadowing life. Overall the feeling of life moving on without you.
