

The Beauty that Follows the Storm

Student: Juan Morales
District: East Valley School District
School: East Valley High School
Instructor: Samantha Schmidt

Medium: Photography

Artist Statement

This photo reminds me to pause and appreciate the less noticeable parts of life in a world that is full of chaos. Through the lens of a camera I was able to capture a beautiful moment in time and I am now able to share that moment with others, which to me, is the beauty of photography.
