

## **Many Leaves**

**Student:** Kaydence Hughes

**District:** Wellpinit School District

**School:** Wellpinit High School

**Instructor:** Chance Hill

**Medium:** Photograph

### **Artist Statement**

I chose this picture, because it shows the transformation from summer to fall. All of these colors make the fall season brighter than it is in the summer. This picture shows all the textures of the leaves, especially the ones that are out of focus. I like it when the camera was more focused on the foreground than the background.

**Status:** Exhibit only
