

rainbow running disks

Student: Isaiah Walker-O'neil
District: Cheney Public Schools
School: Cheney High School
Instructor: Jessa Morissey

Medium: Digital Photography

Artist Statement

I wanted to make a photo with the reflections in the CDs to show to my class so I experimented with string and positioning them in ways I could make it look creative. I was struggling for a long time until I saw a shot that would look perfect for my assignment, and I ended up loving the finished outcome.
