Laughter Is The Best Medicine

Student: Faith Morgan
District: Kettle Falls School District
School: Kettle Falls High School
Instructor: Aaron Hunting

Medium: Mixed Media

Artist Statement

This piece was made to represent all of the people out there who use comedy to cope with hard times. I personally joke a lot to lighten up the hard times and I know that this is a very common way to cope. The clown standing alone on the stage is meant to show how despite the coping, we often feel alone in our pain.
