Instructor: Jessa Morissey

Medium: Ceramics

Artist Statement

I threw this bowl on the wheel, a fact I am very proud of. Being only my 3rd throwing, I am very happy with the progress I've made. I used stoneware clay to build the main body of the bowl, shaped it, and carved freehand strawberries around the outside. I wanted to make a piece that feels comfy and homey, like a childhood memory (loosely inspired by strawberry shortcake). It's also the perfect size for snacks.

Status: Exhibit only
