

Abby Vining

The Final Goodbye

Student: Aubrey Vining
District: Reardan-Edwall School District
School: Reardan High School
Instructor: Marty DeWalt

Medium: Acrylic

Artist Statement

As I grow older the future is all I can think about, and I fear the goodbyes. My horse has been there from the beginning and she's helped through my hardships. The thought of her death haunts me, one day she won't be there to greet me at the gate. There will be a day where she will grow weak, when her weight depletes. One day we will say are last goodbye.

Status: Exhibit only
