

## **Harnessing the Power of Words**

**Student:** Kayla Doyle

**District:** Spokane Public Schools

**School:** North Central High School

**Instructor:** Jennifer Griffith

**Medium:** Colored Pencil

### **Artist Statement**

I conveyed the beauty of the earth using different mediums, texture, shadows, and color. I showed how many deep beautiful layers the earth has. I used depth to show the many different materials and textures. This artwork has a personal connection to me. During quarantine I was having a rough time mentally and would watch Bob Ross and follow along with him to feel better.

**Status:** Sell
