Artist Statement

Beautifully misunderstood and completely alone,
I have struggled to thrive while having to survive on my own
In a world full of false identities, she has made me one with
the crowd, Her ability to disguise herself has made me nothing
short of proud I am jealous of this mask, though it is quite hard
for me to admit, She is who I wish I was but her presence
doesn't fit I am far too complex for what she has deemed to be
ideal, The power that I hold is beyond what she can conceal
I unleash myself upon this world with both tenacity and force,
She is convinced I should feel bad but feel little remorse
My Facade has deceived many throughout the tyranny of her
rule, Now I must turn her defeat into my greatest form of fuel
