

Not really broken

Student: Amber Densley
District: Cheney Public Schools
School: Cheney High School
Instructor: James Scarcello

Medium: Mixed Medium Paper, Graphite Pencil, smudging tool, white eraser, tissue, and light bulb

Artist Statement

All my life *I've* always been the odd one out. I was always moving to different places and didn't fit into what was routine for the place I was in. In my piece I use graphite, a blending tool, tissues, and a light bulb reference to show that being different or broken isn't a bad thing and that there's nothing wrong with that and maybe you aren't as different as you think.

Status: Exhibit only
