Skeletons in the Closet

Student: Maggie Poole

District: Cheney Public Schools

School: Cheney High School

Instructor: Jessa Morissey

Medium: Graphite

Artist Statement

Often times, people hide such overwhelming feelings it consumes them. Feelings of dread, fear, or even anxiety can eat away at you, whether it shows on the outside or on the inside. This is why I chose to create this piece, it is a representation of what that feeling looks and feels like, as we choose to hide the pain and ugly behind closed doors.
