### **Artist Statement**

I've always had a very intense passion for the arts, I'm able to get lost in the worlds I create on canvas. I pride myself in the ability to skillfully paint movement, lighting, and texture. My pieces are known to be whimsical and seemingly out of a storybook. I work very hard to accurately display lots of emotion in seemingly mundane places. I have so much more to learn, and can't wait to do so.
