

STEM It Up!

and Earn 15 STEM Clock Hours

STEM IT UP! is designed for elementary teachers, TOSAs and instructional coaches in the NEWESD 101 region. Educators come together to explore STEM activities grounded in the Washington State Learning Standards and gather resources to support best practices in STEM teaching and learning.

Registration:

Register online for the February or March Session (dates below)!

February: <https://www.pdenroller.org/catalog/event/101057>

or March: <https://www.pdenroller.org/catalog/event/101397>

**Friday, February 21 4pm-9pm & Saturday, February 22 9am-4pm
OR**

Friday, March 20 4pm-9pm & Saturday, March 21 9am-4pm

Required online session (3 hours of the 15) may be completed any time before in person dates for each session. Link will be sent to registered participants 1 week prior.
