Mission Statement

The Odessa School District in partnership with parents and the community, will provide each student with a diverse education in a safe, supportive environment that promotes self-discipline, perseverance, and excellence in education.

THE ODESSA SCHOOL DISTRICT

The Odessa School District is seeking an outstanding 6-12 principal/Athletic Director with an understanding of the challenges and benefits that come along with managing a small, rural middle/high school.

extra-curricular activities, help our students develop physically, socially, and emotionally in order to become better citizens in our society.

The OSD provides public education from preschool to 12th grade for students who live in the 631 square mile area of Lincoln, Grant and Adams counties. The school district offers small class sizes, an exceptional teaching staff and excellent support from our community. Odessa is proud of the full range of offerings made available to our approximate 220 students.

Public education has a rich history in Odessa. For decades, our community has provided its continued support. Quality education is highly valued in our community.

A wide variety of subject matter offerings are available in the high school including Career and Technical Education with successful student organizations including FBLA and FFA. Odessa provides a preschool program for 3- and 4-year-old students, special programs such as Title I, LAP, Highly Capable, and Special Education. All students have access to our music program and PE classes.

We are confident the staff, public, school board and administration all have the same goal in mind: to preserve and enhance the educational opportunities available to the children of Odessa. We feel strongly that at this time, we need a 6-12 principal with the proven ability to build morale and teamwork through honesty, integrity, creativity and exceptional communication skills.

Over 80% of our middle and high school students participate in extra-curricular programs. The activities program at Odessa Middle and High School is designed to provide students with the opportunity to participate in a variety of activities year round. Participation in sports, music groups, clubs, and other

The town of Odessa is optimistic about the future and has a history of independence and entrepreneurial success. We are committed to maintaining and improving the opportunities available within the community in terms of employment, housing, community services and education. We look forward to welcoming a new, like-minded part-time superintendent to guide our school district in the coming years.
