**SHIP TO:**

School:  
Teacher:  
Address:  
City, State:  
Phone:  
Email:

	Zip:	

**TEACHERS: FAX ORDERS TO MTN. HOME BIOLOGICAL 509-493-2128 (PHONE: 800-958-9629) AT LEAST 2.5 WEEKS BEFORE THEY ARE NEEDED.**

**IF YOU HAVE ANY CRITTERS THAT ARRIVE DEAD, MTN. HOME MUST BE NOTIFIED WITHIN 24 HOURS FOR REPLACEMENT AND/OR CREDIT OPTIONS.**

Only order critters from the kit you are using. Materials co-op prices include the quantity shown on the order form. If you wish to order a higher quantity, please have your principal/business manager contact ESD101.

At the bottom of each kit title is a line saying "if you are ordering all available critters..." Check this box **only** if you are ordering every one of the critters. If you are only ordering some of them, do **not** check this box.

**ANIMALS 2X2**

**OPTION 2:** Teachers may choose to purchase the critters for the kits below from local pet shops. If teachers choose this option, NEWESD 101 will reimburse the school district/science contact for the cost of the critters. **NEWESD 101 will only reimburse for the quantity and critters shown below.** Reimbursement requests must come from the school district/science contact and be submitted on a critter reimbursement request form that can be downloaded at [www.esd101.net/science](http://www.esd101.net/science). We will not be able to reimburse individual teachers.
