WSU Educational Staff Associate Initial Certification/School Nurse Initial Certification

This course is designed for the BSN prepared nurse who wishes to prepare for Educational Staff Associate Initial Certification as a school nurse. Topics will include the role of the school nurse, schools and society, growth and development, learning strategies, school law, and the legal and professional responsibilities of the ESA-prepared school nurse. This hybrid course will incorporate independent study and classroom instruction. Independent study course materials are to be completed and submitted to the faculty prior to the dates of classroom instruction for evaluation. This hybrid course meets the Washington Office of the Superintendent of Public Instruction 15 contact hour course requirement of initial ESA Certification for BSN prepared RNs. Please go to the following link for more information regarding the course and registration: [WSU School of Nursing](#)

University of Washington Continuing Professional Development

Continuing Nursing Education of the School of Nursing at the University of Washington is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).
