

This webpage serves only as a regional bulletin board to assist nurses and other school health services staff to identify school districts that have vacant positions or a temporary need for school health services. The open positions listed are NOT vacant NorthEast Washington Educational Service District 101 positions and those interested in any of the positions voluntarily add their names to this site and have not been screened by NEWESD 101.

To announce an opening or availability for work, contact:  
Linda Smith, [lsmith@esd101.net](mailto:lsmith@esd101.net)
