

Artistic magic continues for another week

Every year at this time, the end of the regional Student Art Show brings a hint of sadness to NEWESD 101.

As the bright display of student art is taken down, returned to the owners, the office doesn't seem quite right; just a bit too barren. But not this year.

Inspired by the success of the 2017 Student Art Show, the staff of NEWESD 101 decided to keep the fun going with their own display of employee art.

While we knew we employed a talented cast of educational professionals, we didn't know about the depth of their artistic talents outside of work.

Painters, quilters, sculptors, photographers, stained glass artists, jewelry designers – we have it all. See their work, on display through April 7.
