collected at the door

### Sponsored by

Hagan Foundation  
Spokane CSTA  
Cheney School District

### Registration Deadline

February 28, 2017  
(or until slots are filled)

### Registration

<https://goo.gl/forms/JjbsYAIRuS7wacti2>

### Content Questions

Tammie Schrader  
tschrader@esd101.net or (509) 323-2725

You are invited to join the region's first-ever High School Hackathon. Students in grades 8-12 will come together in groups to create a game based on their own idea. There will be 2 brackets.

### FORMAT

Students will present ideas for projects. Students will then get to sign on to projects. Projects with nobody signed on will either be completed by the individual, or collapsed as individuals join other teams. Teams will be made up of no more than 5 members, and spend their time developing their projects then present on Saturday.

### WINNERS

Winners will be selected by the members present. Voting will take place after all projects are presented.

### COMPUTERS

Bring your own device. There will be several computers for checkout, but you should bring your own computer.

### SPEAKERS

Guest speakers will be speaking on topics that vary from industry content to How To sessions where students can learn content that will help them with their project.

### SLEEPING

Students will need to bring gear for sleeping/napping. They will be in charge of their own sleep.

### SUPERVISION

Spokane CSTA as well as local college students will provide supervision. Supervision will be provided around the clock.
